

ZTX

PERFORMANCE. FIRST.

BRAKE & PARTS CLEANER FLAMMABLE

ZTX FLAMMABLE BRAKE & PARTS CLEANER is a powerful solvent that penetrates and flushes away grease, grime and oil without the need to disassemble. It is ideal for all metal surfaces and evaporates quickly leaving no residue behind.

ZTX FLAMMABLE BRAKE & PARTS CLEANER is designed to be used in a wide range of everyday industrial applications, including:

- Brake Linings
- Drums
- Cylinders
- Clutch Plates
- Tools
- Machinery
- Brake Pads
- Discs
- Calipers
